

MS ZAMA POS Lite

Simple Billing. Serious Business.

A practical billing solution for cafes, juice shops, bakeries, canteens and other small businesses that want fast everyday billing without unnecessary complexity.

OFFLINE CAPABLE

ONE-TIME PAYMENT

NO MONTHLY SUBSCRIPTION

Built for the way small businesses actually bill

Fast Billing Create professional customer bills quickly with product, quantity, GST and payment details.	A4 + Thermal Printing Choose A4, compact 58 mm thermal receipts or wider 80 mm thermal receipts.
Hold & Resume Orders Pause an unfinished customer order, serve someone else and resume it later.	Product Management Add, edit, search and maintain your menu or product list.
Bill History Review previous bills and reprint them whenever required.	Sales Reports View recorded business activity through dashboard and report screens.
CSV Export Export report data in a spreadsheet-friendly format.	Backup & Restore Create backups of your business data and restore them when needed.

Designed to stay simple

MS ZAMA POS Lite focuses on the essential tools a small business needs for everyday billing. There is no need to learn a large restaurant-management platform just to create bills, print receipts and keep basic records.

COMPLETE PACKAGE

₹4,999

One-time payment

Software + setup + business configuration + basic onboarding

Why MS ZAMA POS Lite?

What you need	What POS Lite provides
Quick customer billing	Straightforward bill creation without unnecessary screens.
Affordable receipt printing	A4, 58 mm and 80 mm print-format support.
Customers still ordering	Hold the bill and resume it later.
Previous bill required	Bill history and reprinting.
Business records	Dashboard, reports and CSV export.
Protection against local data loss	Backup and restore tools.
Internet unavailable	Offline-capable core operation after setup/caching.
Predictable cost	One-time purchase instead of a monthly software subscription.
